Dear Friends,

Center For Family Services is proud to present Stand.Speak.Empower., a call to action to prevent sexual violence in our community through education and public awareness. April is Sexual Assault Awareness Month and your school can play a key role in the prevention of sexual violence by joining in Stand.Speak. Empower.

Get involved by wearing denim on Fridays and making a suggested donation of $5 ($2 for students) as a visible sign of support for the prevention of sexual violence. Already wear jeans to school? Wear them proudly and add a Stand.Speak.Empower button. Wearing denim as a visual sign of protest against the misconceptions that surround sexual violence will promote awareness, awareness that will lead to education; and education that will lead to change.

Stand.Speak.Empower donations benefit Center For Family Services' Services Empowering Rights of Victims (SERV) program which provides crisis intervention, counseling, and support to survivors of sexual violence, domestic violence, and human trafficking. Our dedicated team of highly trained and compassionate staff provide personalized care to help people follow a path of healing.

Your involvement will support a New Jersey community that is safe and violence free. With the collective support of individuals, companies, organizations, and schools throughout southern New Jersey, we can join together to change the attitudes about sexual violence and increase awareness about the importance of violence prevention. Together we can mobilize to prevent sexual violence before it starts.

Visit centerffs.org for more information on hosting a denim day at your school, to request buttons, purchase a t-shirt, or to request a Prevention Specialist to present at your school.

Sincerely,

Richard Stagliano
President/CEO
