WHAT WE DO: WITH A PROFESSIONAL COMMITMENT TO HIGH QUALITY SERVICES, OUR TEAM BALANCES BEST PRACTICE AND CUTTING EDGE APPROACHES WITH PERSONALIZED CARE TO HAVE THE GREATEST IMPACT IN IMPROVING THE LIVES OF THOSE IN OUR CARE.

Center For Family Services has been a force for positive change since 1920. We have a proven record of accomplishments working with neighborhood residents, schools, government leaders, corporate partners, and social service providers across the community. Recognized as a top workplace, our network of more than 1,500 staff are our most valuable asset and resource. Through a wide range of specialized services, we help people find the vision, the hope, and the strength for a better life.

OUR TEAM AT CENTER FOR FAMILY SERVICES IS THERE.

Whether it's a child who is ready for preschool, a young person in need of the support of a mentor, a teen without a safe place to call home, a family experiencing domestic violence, a person seeking help for an addiction, or a family in crisis, our dedicated staff are there.

We are there to heal, educate and protect children and families. Our goal is to help people overcome obstacles, to find comfort and to build the foundation for a successful future.

OPPORTUNITY PROVIDES THE CHANCE FOR PEOPLE TO FLOURISH.

Opportunity, or the lack thereof, so often dictates one's course in life. When we provide people with a safe place to live, a quality educational support system, a strong foundation that leads to gainful employment, and the counseling that fosters healing, we open the doors for safe and healthy futures.

Each year, Center For Family Services provides safe housing to more than 700 children, teens and young adults who find themselves without a safe place in which to live. Many of these young people have experienced difficult circumstances and overwhelming trauma.

BUILDING A FOCUSED PATH TOWARDS A POSITIVE FUTURE.

We recognize that each person holds within them the ability for greatness. Our programs give youth a voice and the opportunity for a future where success is possible. We help each young person to heal, to experience joy, and to build a focused path toward a positive future.

Through 20 unique homes across southern New Jersey, children, teens, and young adults find safety, comfort and stability. Our safe homes are warm and welcoming and our staff become supportive family for our youth. Our primary goals include family reunification and supporting the young person in developing a plan to pursue educational goals, gain meaningful employment, and transition to permanent housing.

JOIN US IN OUR MISSION.

At Center For Family Services, we share a mission to support and empower individuals, families, and communities to achieve a better life through vision, hope, and strength.

HELP US ACHIEVE OUR VISION.

Collectively, our vision is for all people to lead capable, responsible, fulfilled lives in strong families and healthy communities.

You can help to improve lives in our community by going to [**www.centerffs.org/get-involved**](http://www.centerffs.org/get-involved) where you will learn more about the ways you can support us with our mission.

OPPORTUNITY: TOGETHER WE CAN CREATE COMMUNITIES WHERE EVERY CHILD HAS A SOLID EDUCATIONAL FOUNDATION THAT PREPARES THEM FOR SUCCESS IN THE GLOBAL ECONOMY.

2 in 3

children are not reading proficiently by the 4th grade.

80%

of them are from low-income families.

1.2 million

students drop out of high school each year in the US.

That's an average of

7,000

students a day!

A strong education is necessary to set children on a path to successful and self-sufficient futures. A child's learning success is greatly affected by their support system. We invest in the family and support parents as advocates for their child's success in school.

Learning starts at birth, and we provide a strong birth to five continuum that helps families to get children off to the best possible start. High quality learning activities, nutritious meals, regular exercise, and connections to medical care help to ensure children are ready to be successful in kindergarten.

MENTORS MAKE A DIFFERENCE

We pair children with mentors to support and encourage staying on track in school, making safe and healthy decisions, and developing a plan for long term success.

Every child deserves a quality education and the best possible chance for long term success in school and in life. When children get off to the best possible start in school and receive support every step along the way, their chances for high school graduation and a college and career path increases dramatically. That's why investment in early learning and strong supports for youth of all ages are critical to building strong and self-sufficient communities.

**OUR GOAL IS
TO SUPPORT
CHILDREN
ON A CRADLE
TO COLLEGE
AND CAREER
PATH.**

OPPORTUNITY: TOGETHER WE CAN BUILD AND ENHANCE PROGRAMS THAT HELP PEOPLE BATTLING ADDICTION OR DEALING WITH THE TRAUMA OF HOMELESSNESS, ABUSE, VIOLENCE OR GRIEF AND LOSS.

Center For Family Services helps people pick up the pieces and put them back together. With a great deal of humility and compassion, our highly trained staff, help people to heal and envision a healthy future for themselves and their families.

21.6 million

teens were estimated to have substance dependencies in 2013.

1 in 5

women and 1 in 71 men are victims of rape every year.

15.5 million

children are exposed to domestic violence every year.

26%

of all children in the US witness or experience a traumatic event before the age of four.

People who experience trauma are

15x

more likely to attempt suicide, and three times more likely to experience depression.

“Before I came to Center For Family Services, I felt I was no good. I believed I deserved the abuse I suffered and that I would never amount to anything. With the help I received, I feel good about life and hopeful about the future.”

A sudden illness, depression, drug addiction, suicide, sexual violence, domestic violence, and all forms of trauma are all too prevalent in our society. The long term effects can be unimaginable and can have an ever lasting impact if not provided with the necessary tools to recover and to heal.

Our highly trained and compassionate staff provide counseling and support in a comforting home-like environment, designed to make people feel safe. We help people to overcome the trauma they experienced and not allow it to define their future.

YOU CAN BE THE DIFFERENCE.

YOU CAN MAKE IT POSSIBLE FOR CHILDREN AND FAMILIES WHO HAVE EXPERIENCED TRAUMA TO HEAL AND BUILD A SAFE AND HEALTHY FUTURE FOR THEMSELVES.

YOU CAN BE THE REASON SOMEONE FINDS SUPPORT AND HEALING.
