Dear Friends,

It is with great sadness that we must report that we are closing this site. Our last full day in Atco will be December 19th, 2018. After this date, we will be shutting down the site in order to transition to our other site in Blackwood. Saying good bye is never easy, especially when it comes in the midst of the strong friendships and partnerships we have formed in the time we have been here. We have so many fond memories of all the delightful dinners, crazy crafts, and special moments we have shared. So, as we begin to close down our site, we want to say thank you for all the memories and friendship you have given us. Each and every single one of you has contributed to this program and by extension, your community, in so many ways. We hope that all of you will continue to contribute to building up your community and realize that any contribution, no matter how small, makes a huge difference in the lives of your family, your friends, your neighborhood, and your community. We wish you all the best!

Sincerely,
 David, Karina, and Ciana
