Kaleidoscope is a community-based LGBTQIA+ program that offers monthly meetings and ongoing virtual platforms in a welcoming atmosphere where teens and young adults like you can find support, guidance, and a sense of community.

Kaleidoscope provides a safe, supportive environment for queer and allied teens, young adults, and families to gather, socialize, organize, and help each other!

See the CALENDAR on the next page for meeting dates and times!

“Working for this program is about being someone I didn't have. I didn't know any queer adults growing up, so being able to show kids like me that we exist as adults is important.”
